SECTION 1.

The Public Hearing is hereby closed and any and all protests and objections, whether herein enumerated or not, are hereby overruled. That, the Recitals and findings listed above are true and correct and form the basis upon which this Ordinance is being adopted and are incorporated herein by reference.

SECTION 2.

The City Council hereby approves and adopts the Service and Assessment Plan and Assessment Roll (to be kept on file with the City Secretary). In doing so, the City Council finds that the supplemental services and improvements set forth in the Service Plan are feasible and advisable and will serve the needs and desires of the property owners in the District.

SECTION 3.

The City Council, from all evidence before it, including all information provided to it and considered in the Public Hearing, finds that the assessments herein described should be made and levied against the respective parcels of privately-owned property in the District and against the owners of such property. Such assessments and charges are right, proper, and substantially in proportion to the benefits of the respective parcels of property by means of the improvements and services in the District for which such assessments are levied and establish substantial justice, equality, and uniformity between all parties concerned, considering the benefits received and burdens imposed. The City Council further finds that in each case the property assessed is specially benefited in enhanced value to the said property by means of the Improvements in the District and for which assessment is levied and charge made, and further finds that the apportionment of the cost of the Improvements is in accordance with applicable law. The City Council, from the evidence, further finds that the values of the respective parcels of property on January 1, 2022, are true and correct reflections of the information contained in the records of the relevant appraisal district.

SECTION 4.

There is hereby levied and assessed against the parcels of privately-owned property in the District, and against the real and true owners thereof (whether such owners be correctly named herein or not), the sums of money itemized per parcel of property, and the owners thereof, as far as such owners are known, at the following rate and method of payment: \$0.10 per each \$100 of value for commercial property. This ordinance will not be construed to levy assessments on any city-owned property within the District.

SECTION 5.

Where more than one person or entity owns an interest in any property described herein, each such person or entity will be personally liable only for its, his, or her pro rata share of the total assessment against such property in proportion to its, his, or her respective interest to the total ownership of such property, and its, his, or her respective interest in such property may be released from the assessment lien upon payment of a proportionate sum.

SECTION 6.

The several sums above mentioned and assessed against the said parcels of property, and owners thereof, and penalty and interest thereon at the rate prescribed by Chapter 372, Texas Local Government Code (“Public Improvement District Assessment Act”), together with reasonable attorney’s fees and cost of collection, if incurred, are hereby declared to be and are made a lien upon the respective parcels of privately-owned property against which the same are assessed, and a personal liability and charge against the real and true owners of such property, whether such owners be correctly named herein or not, and such liens shall be and constitute the first enforceable lien and claim against the property on which such assessments are levied, and will be a first and paramount lien thereon, superior to all other liens and claims, except state, county, school district and city ad valorem taxes. A copy of this ordinance shall be filed with the County Clerk of Tarrant County, Texas, and when so filed shall constitute complete and adequate legal notice to the public concerning the liens hereby assessed against the respective parcels of property and the owners thereof.

The sums so assessed against the respective parcels of property and the owners thereof become due and payable on or before January 31, 2023, and become delinquent if not paid by February 1, 2023. The entire amount assessed against each parcel of property bears penalty and interest, from and after February 1, 2023 at the same rate as prescribed by law for any delinquent ad valorem tax until paid.

SECTION 7.

If default is made in the payment of any assessments, collection thereof will be enforced by suit in any court of competent jurisdiction, and said City may exercise all of its lawful powers to aid in the enforcement and collection of said assessments.

SECTION 8.

The total amount assessed against the respective parcels of property, and the owners thereof, is in accordance with the proceedings of the City hereto and is less than the proportion of the cost allowed and permitted by applicable law.

SECTION 9.

Although the aforementioned charges have been fixed, levied, and assessed in the respective amounts herein stated, the City Council hereby reserves the right to reduce the aforementioned assessments by allowing credits to certain property owners where deemed appropriate and provided that any such allowance does not result in any inequity or unjust discrimination.

SECTION 10.

Full power to make and levy reassessments and to correct mistakes, errors, invalidities or irregularities in the assessments are, in accordance with the law in force in this City, vested in the City.

SECTION 11.

In any suit upon any assessment or reassessment, it will be sufficient to allege the substance of the provision recited in this ordinance and that such recitals are in fact true, and further allegations with reference to the proceedings relating to such assessment and reassessment shall not be necessary.

SECTION 12.

Should any portion, section or part of a section of this Ordinance be declared invalid, inoperative, or void for any reason by a court of competent jurisdiction, such decision, opinion or judgment shall in no way impair the remaining portions, sections, or parts of sections of this Ordinance, which shall remain in full force and effect.

SECTION 13.

This Ordinance is cumulative of all other ordinances and appropriations amending the same except in those instances where the provisions of this Ordinance are in direct conflict with such other ordinances and appropriations, in which instance said conflicting provisions of said prior ordinances and appropriations are hereby expressly repealed.

SECTION 14.

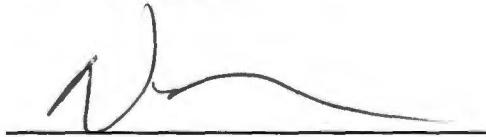

The City Secretary is directed to cause a copy of this Ordinance to be recorded in the real property records of Tarrant County, Texas no later than the seventh (7th) day after the adopted date of this Ordinance.

SECTION 15.

This Ordinance takes effect and will be in full force and effect from and after the date of its passage.
